

Laser Mayhem Information

Laser-Mayhem are now taking bookings for fun in the forest within our South Barrule Plantation, Watertrough Park.

Currently we are operating two sessions per day on both Saturday's and Sunday's and all school holidays starting with our morning session 0930-1200 with our afternoon session operating from 1300-1600.

We cater for Birthday Parties for both adults and kids, Hen and Stag do's, Corporate, Works & Social Events.

We even operate a Boot Camp on selected days during the Easter and Summer holidays where kids come for the whole day and learn bushcraft, learn to work within a team by building their own Team Headquarters and then their own improvised dens.

They then have their packed lunch (not provided) in our own picnic area and then have an entire afternoon playing the full spectrum of our laser-mayhem scenarios incorporating patrols and ambushes.

Please note that all sessions have to be booked in advance by calling the Team on 234 555.

Price £20.00pp for a 2.5 hour morning session and £25.00 for the extended afternoon session with maze mission (3hrs) both include free half time refreshments.

Sturdy lace-up footwear or wellies when wet is essential.

Please feel free to call the team anytime on (07624) 234555 to discuss your requirements, take some details, and answer any further questions that you may have.

Thanks

The Laser Mayhem Team !
